STAR WARS

Director: George Lucas (1977)

In another galaxy, the Evil Empire 1 (control - controls) nearly everybody, except the "Rebels". The story begins when the rebel Princess Leia (CARRIE FISHER) finds plans for the "Death Star", a terrible and mortal weapon.

She hides these plans inside a robot, R2-D2 with the message "Help me, Obi-Wan Kenobi. You 2 (are - and) my only hope".

R2-D2 escapes to the planet Tatooine with another robot, C-3PO.

The hero, Luke Skywalker (MARK HAMILL), lives on Tatooine on his uncle's farm. He often dreams of a more exciting life.

One 3 (say - day) he finds R2-D2 and reads the message from Princess Leia. He goes to Obi-Wan Kenobi (ALEC GUINNESS) and the fight against the Empire begins.

There is 4 (rarely - usually) a boring moment in the film. It is sometimes very funny; the two robots usually argue about everything! Darth Vader is a memorable villain. We never 5 (saw - see) his face behind the black mask. And, of course, the special effects are always brilliant.

In fact, in many ways...
