Dear Hasan,

Hello! My name is Isabel Garcia and I am your new pen-friend. I am fourteen years old and I am Spanish. I live in Granada in Spain.

These are photographs of the people in my family. My father's name is Philip. He's a chemist. My mother's name is Marcia. My brother's name is Fredrico and my sister's name is Rosa. I am the girl with short brown hair. My dog's name is Pluto. He's in the photograph with me.

I like tennis but I don't like basketball. My favourite subject is Geography, but I don't like Chemistry because it's difficult. I love pop music but I don't like opera. I like dogs but I don't like cats. My favourite singer is Elton John and my favourite actress is Melanie Griffith. They are fantastic!

What about you? What do you like? Who is your favourite singer? Please write soon and tell me about yourself.

Best wishes,
Isabel
